Parent’s Prayer

O’Heavenly Father, make me a better parent. Teach me to understand my children, to listen patiently to what they have to say and to answer their questions kindly. Keep me from interrupting or contradicting. Help me to be courteous to them as I want them to be to me. Forbid that I should ever laugh at their mistakes or resort to shame or ridicule. May I never punish them out of anger or spite or to show my power. Help me, dear Lord, to demonstrate by all that I say or do that honestly does produce happiness. Reduce, dear Lord, the meanness in me. And when I am out of sorts, help me to hold my tongue. May I be ever mindful that my children are merely children and that I should not expect them to have the maturity and judgment of adults. Let me not rob them of the opportunity to do things for themselves or to make their own decisions. Help me to grant them all reasonable requests and give me the courage to deny the privileges that I think may be harmful. Help me to be fair and just and kind, O Lord, so that I will earn their love and respect and they will want to imitate me. This is the supreme compliment. Amen.

Mission and Vision

Archdiocese of Baltimore Catholic Schools Vision Statement
Catholic schools in the Archdiocese of Baltimore nurture and sustain the God–given gifts of every person, especially students, to be used in service to the Mission of Jesus.

Our Mission Statement
A Pre-Kindergarten through 8th grade Catholic parochial school, St. Stephen School is dedicated to the ideals of educating children in an environment that surrounds them with Christian values. The school strives to educate the whole child spiritually, academically, physically, socially, and emotionally. Every effort is made to cultivate within each child a positive self-image and to heighten his/her awareness of the dignity and worth of others.

Our Vision Statement
St. Stephen School is a high school preparatory Catholic elementary/middle school serving the Baltimore County and Harford County communities. Our curriculum provides students with the skills needed to communicate effectively, to be successful in higher education, and to be productive citizens in the Church and larger communities.

• Our students participate in a curriculum that is differentiated to meet their individual needs.
• Our students engage in content that is integrated and interdisciplinary.
• Our students are guided to think globally when making responsible choices that affect the economy, environment, and social tolerance.
Our students work with web-based technology connecting them to a wealth of information that increases their content knowledge, helps them problem-solve, and enables them to make moral decisions.

Our students develop an attitude to be flexible in their day-to-day interactions and activities essential to lifelong learning.

History of School

The seed of Catholic education began in 1841 in the Bradshaw home of Miss Stephanie Raphel. By 1851, St. Stephen Parish was officially recognized as a place of worship. Needing a larger facility for the growing community, the parishioners purchased a two-story frame building. This became the church and school, with all grades occupying the lower floor. For the next twenty-five years, the thriving community grew steadily and became a closely knit, friendly community with strong ties to the parish and to Catholic education. The parish’s continued growth dictated the need for a larger church and school. Parishioners toiled for over a year hauling large rocks from the countryside to the current site on Bradshaw Road. This work, begun so humbly with the very essence of what God had created in this beautiful countryside, was to become part of the charisma of St. Stephen School.

In 1931, the church was completed and the two-story frame building was moved to the top of the hill and became St. Stephen Elementary and High School. Later, Rev. Vincent Fitzgerald, pastor, renovated the existing building and engaged the Sisters of St. Francis of Philadelphia to teach. On the opening day of school in September 1931, one hundred seventy students crossed the threshold for instruction. In 1953, a new building was erected. This became the elementary school, and the frame building became the high school. In 1963, St. Stephen School had an enrollment of one thousand students. St. Stephen High School closed in 1968 with the opening of John Carroll Regional Catholic High School.

In August 2014, St. Stephen School opened a new building. Designed for early childhood education, the Pre-K building accommodates our Pre-K 4 classes. We also have an outdoor classroom in the wooded area behind the building.

In memory of Marlene E. Rutkowski, a 1964 graduate of St. Stephen, funding for our new middle school building was gifted from the estate of her parents Richard and Margaret Rutkowski. In collaboration with St. Stephen Church, our community fully funded the $1.5 million building. The middle school is part of the Master Plan for our Parish and School campus, and the first phase of our capital campaign. The doors to our new middle school building opened on January 2, 2020 and a celebratory Mass was celebrated by Archbishop Lori on January 5.

Presently, St. Stephen School educates approximately 350 students in grades Pre-K through grade 8. Though the students, parents, and staff have changed through the years, the school has remained steadfast in its goal to educate the total child in an environment of Christian values, principles, and standards.
Administrative Structure

St. Stephen School is an apostolate of St. Stephen Parish and under the jurisdiction of the Pastor, Fr. George Gannon. St. Stephen has a Principal, who is considered the chief administrative officer of the school, accountable directly to the Pastor, and is a member of the Parish Staff. The Principal is responsible for the academic leadership of the school. The Assistant Principal will oversee discipline, serve as a member of the St. Stephen Advocacy Team, and provide administrative and instructional support to faculty and staff. The School Advancement Director will report to the principal and manage admissions, employee and public communications, marketing and fundraising.

The St. Stephen School board is composed of representatives from the local parishes, alumni, educational, philanthropic, business, and community leaders. The Board recommends to the pastor and principal policies and practices that are consistent with the school’s mission. The board supports Archdiocesan policies and procedures regarding finances, advancement, marketing, building and grounds, and other areas of corporate management. The board develops and oversees implementation of the school’s strategic plan. The St. Stephen School Board meets six times during the school year.
The HSA (The Home and School Association) exists to have a partnership between parents and school administrators and staff to ensure a successful and viable school community. The HSA helps parents, school administration, and faculty develop a mutual understanding and appreciation of the mission of Catholic Education as lived in this Catholic School within the Archdiocese of Baltimore. They also provide programs and processes that engage St. Stephen families in spiritual, educational, outreach, social, legislative, public relations, service, and fundraising activities that further the mission of St. Stephen. The HSA commits to raising $40,000 per year for the school budget through fundraisers and to ensure volunteers are available for school activities and events.

This organization melds the two groups most interested in the welfare of the students, the home and school. The association meets in September, December, and May. It is dedicated to the improvement of education, service to the school by raising funds, and the development of harmonious relations between the school and the community. It is designed to be responsive to the needs of the school and to the interests of parents. Officers of the association are elected at the May meeting.

Parents are expected to become members, to attend meetings regularly, and to support the association’s activities. The Service Hour Program is a unique opportunity for our school families to become involved in the enhancement of our school community. Parent involvement not only helps to make schools better, but it also helps raise student achievement. Funds raised through the Home/School Association’s fundraisers will help defray costs for services needed throughout the school. All monies generated through fundraisers will be handled by the Home/School Association to ensure proper distribution.

The Home/School Association’s Executive Committee will establish guidelines and administer the program. The Volunteer Coordinator(s) will manage the implementation of the program. Any questions or concerns should be addressed to the Home/School Association’s Executive Committee. Each family with children enrolled
in the school, in grades Pre-K through eighth, is required to participate in the program.

Each family Pre-K-8 will be required to work twenty hours of service during the school year or pay a $400.00 fee. Family members include parents/guardians, older brothers and sisters, grandparents, and aunts and uncles. Friends of the family who do not have children in the school may also work for the benefit of a given family. The students who attend St. Stephen School cannot receive credit for service.

Service hours may not be transferred to another family. Each family is responsible for accumulating its own hours. Hours for service may not be carried over from year to year. The Service Hour Program year begins June 1st and ends May 31st. Parents must accumulate their hours and turn in their documentation showing their hours served by May 31st. Any hours not served and submitted by this date will be billed at $20/hour for the unearned hours. Families will be notified by early June if they have not accumulated the required hours. Families will record hours worked on their Service Hour Program card. It is the responsibility of each family to accurately record hours served. Cards must be turned into the office or remitted via email to hsa@ssschool.org in December and again by May 31st to receive final credit.

When serving on a school event or fundraiser, it is each family’s responsibility to ensure that the chairperson has recorded its participation. If the Service Hour Program requirements have not been met by the end of the program year (either twenty hours accumulated or monies paid for unearned hours), report cards and/or diplomas will be withheld from those families (not meeting the requirement). Special circumstances in which a family is unable to participate in the program will be reviewed. Requests for exemption should be submitted in writing to the Home/School Association’s Executive Committee for review as soon as possible.

Service Hour Program credit will be given to families who participate in the activities. Only these activities, or others approved by the Home/School Association’s Executive Committee, will qualify for Service Hour Program credit. For reference, the Volunteer Manual will be available through the Home/School Association. All efforts will be made to meet all volunteer requests; however, no guarantees can be given that all the volunteers interested in any given activity will be needed for that particular activity. The Volunteer Manual contains the complete list of school activities. No credit hours are given for attending a field trip.

Chairpersons of any fundraiser and room parents will receive their full Service Hour Program credit (20 Hours). A maximum of five hours total per family will be given for leadership participation in parish activities such as scout leaders, soccer coaches, soccer council representatives, lacrosse coaches, youth ministry volunteers, and lectors. Credit for participation in these activities may total only five hours per family for each program year. Service Hour Program credit will also be given for help with special projects for the school.
Volunteers

SSS encourages volunteer participation at the school and is blessed to have excellent and dedicated volunteers from all school community groups. SSS recognizes and values the contributions of our many volunteers and understands the potential for assistance and enrichment to our programs. Each homeroom will have a room parent who will assist in the coordination of classroom parties and communication.

Only volunteers who have complied fully with Archdiocesan regulations concerning the Protection of Child and Youth will be permitted to enter the building to participate in activities, assist, or chaperone field trips. All volunteers at SSS must:

- Complete the Archdiocesan Virtus training course, which may be accessed online [www.virtus.org](http://www.virtus.org).
- Have an Archdiocesan application for volunteer service approved and on file at the school.
- Have an acknowledgement of receipt and review of the Archdiocesan Statement of Policies for the Protection of Children and Youth on file at school.
- Wear an electronically created identification badge from the Raptor system when volunteering during the school day at SSS.

Substitutes and volunteers who regularly assist in the classrooms must also have fingerprinting completed and on file in the school office. Mrs. Shannon Anoia has the information on how to complete the fingerprinting process.

All persons entering the school must enter through the main lobby doors near the school office. All visitors must first sign in, wear an identification badge during their visits, and sign out before departure.

**Accreditation**

St. Stephen is accredited by Cognia through June 2027. In accordance with standards set by the Archdiocese of Baltimore, St. Stephen School met the requirements established by the Cognia Accreditation Commission and Board of Trustees and was thereby accredited by the SACS Council on Accreditation and School Improvement.

**Academics**

**PROMOTION REQUIREMENTS**

Students are promoted to the next grade upon successful completion of all subjects in a given year. Promotion from Pre-Kindergarten, Kindergarten, and grades 1 and 2 relies on teacher evaluation of each child’s progress. Students in grades 3 through 8 must earn a final yearly average of 70% (D) in the core curricular areas of religion, language arts, mathematics, science and social studies. If a student earns two final yearly averages of 69% or lower (E) in the core curricular areas of religion, language arts, mathematics, science, and social studies, he or she will not be promoted to the next grade.

Students in grade 3 through 7 who have a yearly average of “E” in any subject must pass a school-approved summer school program or receive 25 hours of documented school-approved tutoring in the subject prior to the next school year. This requirement includes Religion and Spanish. If this summer course of study is not completed, the student will not be promoted to the next grade level. Repeating a grade at St. Stephen may not be in the best interest of the student. For students in the 8th grade with a year end average of D or E, the decision regarding summer help is left to the discretion of the high school the student will attend.
Retention

Students who do not successfully complete the required educational program may be retained at the current grade level. This decision is made by the principal in consultation with the parents. If retention appears to be a possibility, the teacher will recognize the situation at the earliest possible time and provide the student and parent with possible assistance to remedy the situation. The teacher will document all types of assistance provided to the student.

The teacher communicates with parents on a regular basis regarding the child’s progress. By the end of January, the teacher, principal, parents, and student review the student’s work performance to date and discuss his/her educational needs for the remainder of the year and the possibility of failure and/or retention. This meeting is followed by a written communication to the parents reviewing the content of the meeting, including the educational plan. The teacher continues to provide all assistance possible and maintains contact with parents and the administration. By the last trimester, the retention decision must be communicated to the family as well as the associate superintendent.

Graduation Requirements

Students in 8th grade who successfully complete the course of study as outlined by the Archdiocese of Baltimore will be awarded a diploma at the end of the school year. An 8th grade student must be in good academic, financial, and behavioral standing in order to participate in the end of the year graduation activities. The school administration reserves the right to prohibit attendance by any student who has not fulfilled all requirements and/or not demonstrated acceptable behavior.

Honor Roll for students in Grades 6–8

Students in grades 6–8 who demonstrate high academic achievement and who positively impact the learning environment are placed on Honor Roll based on the following criteria:

**Principal’s Honor Roll** – All A’s and Satisfactory or better in all special classes, standards, effort, and conduct including unstructured time

**Second Honors** – all A’s and B’s (more A’s than B’s) and Satisfactory or better in all special classes, standards, effort, and conduct including unstructured time
Progress Reports and Interim Reports

Interim reports for grades 3 - 8 are sent out electronically on a designated date at the middle of each trimester and for grades Pre-K - 2 are sent home in an envelope to be returned and signed. It is the responsibility of the parents to check their email or child’s folder for the reports. Parents are strongly encouraged to check Powerschool regularly to assist their children in keeping their grades up. Progress reports (Report cards) are sent home each trimester and will be emailed to parents.

Testing Programs

Standardized Testing

St. Stephen School administers the MAP (Measures of Academic Progress) three times a year to all students in grade 2 - 8, in accordance with the policy of the Department of Schools of the Archdiocese of Baltimore in order to measure growth. Pre-K and Kindergarten students are administered the BRIGANCE developmental screenings. A computerized report of the results of the test will be sent at the end of the school year. The report explains the scores, but the teachers and administrators are available to make an appointment to discuss the results. The teachers use the results as an instructional tool as the scores show academic progress.

ACRE

In compliance with the Archdiocese of Baltimore, St. Stephen administers the Assessment of Catholic Religious Education Test (ACRE) to all students in grades 5, 8, 9 and 12 in the spring of each school year. This assessment gives information for growth to each school as it assesses how well the religious education program is forming Christian disciples. The reports on this standardized test are not individual, but the group scores become a valuable tool for schools to access religious instruction and perception and understanding of our students towards their faith lives. Teachers use the report to highlight strengths and improve weaknesses in the religion program.

Instruction/Curriculum

St. Stephen School follows the curriculum, grading system, and student progress report established by the Department of Catholic Schools of the Archdiocese of Baltimore. The Archdiocesan curriculum is based on National and State Standards while infusing the richness of Catholic Identity throughout all the curricular areas. Programs are developmentally appropriate, student centered, focus on the
development of the whole child, and challenge students to continued excellence. Specific areas of curriculum are reviewed and updated each year to ensure timely and relevant standards.

Students in grades Pre-K – 8 participate in Religion, Language Arts, Mathematics, Science, Social Studies, Art, Physical Education, Spanish, Music, and Tech. Technology is an important tool to enhance learning and is integrated very effectively throughout all areas of learning. Students become very skilled and creatively utilize the technology tools available to deepen and extend learning.

**Textbooks and Materials**

Textbooks are furnished by the school. They are to be treated with care at all times. Students are responsible for the condition of the books used. Lost or damaged books must be paid for and replaced immediately. All textbooks will be collected at the end of the year. Consumable materials become the property of the students. It is important to remember that textbooks are only one resource. Technology software and hardware are provided by the school. St. Stephen uses multiple materials to present information and teach necessary skills to students. Subscriptions to online educational sites enhance lessons, provide student practice, and support inquiry based learning.

The following subjects are included in the curriculum, listed with the corresponding textbooks and resources. Additionally, chapter books will be required in grades 3 – 8 with the purchase of these books coming through your child’s FACTS account in the Fall.

Comprehensive examination and cumulative projects may be undertaken in academic subjects in Middle School.

Teachers will NOT provide Extra Credit assignments to students to make up for missed work throughout the trimester. Students must remain current with all assignments. Extra Credit can be given for enrichment or extended learning purposes only.

**Homework**

Home study is a necessary part of each student’s individual educational program. Each student is expected to spend time in addition to scheduled class instruction to achieve satisfactory work. Students in grades 3 – 8 will be given a homework planner to use for copying down homework assignments. Younger grades use different forms of communicating homework to families. Through homework, the faculty pledges to assign authentic, intentional, and age appropriate opportunities to enhance instruction. Students should expect to be assigned homework that can be completed independently within the following time frame:

- Grades K – 2  10 – 30 minutes
- Grade 3 – 5  30 – 60 minutes
- Grades 6 – 8  60 – 90 minutes

**Honor Code**

All students are required to complete assignments that are their own. A student may ask for help but may not copy or plagiarize another’s work. Older students are required to sign an Honor Pledge after receiving instruction regarding plagiarism.

The honor code for St. Stephen reads as, “I pledge that I did not give or receive any unauthorized help on this assignment or assessment and that all my work is my own.”

Number grades are rounded to determine the letter grade.
Examples: 96.5 rounds up to 97 and equals an A+  
96.4 rounds down to 96 and equals an A.

Parents may not request a change in grade on an assignment or a final grade in order to achieve honor roll or a desired grade in an academic class.

Work Habits

Students are responsible for all classroom assignments, group projects, and homework according to the standards and due dates assigned by the teacher. Late work may earn a reduced grade. Students may be asked to complete late assignments during recess or after school.

Missing Work Policy for Grades 3 – 8

The grade will be lowered by 10% for each day an assignment is late without an acceptable excuse (e.g. absence). The student will not be able to hand the work in for credit after one week (7 calendar days) from the original due date and the grade will be
recorded as a zero. If a student is absent from school with an excused absence, it will be HIS or HER responsibility to ask a teacher or another student for the missed assignments. The due date will be extended by the number of days the student was absent with no penalty. Each teacher will maintain a website on Google classroom as a reference tool for those students who have been absent or for any student needing access to assignments or classroom announcements. Please be sure to check planners as they may be the most accurate with regard to assignments.

**Final Product Guidelines**
St. Stephen School has established a set of guidelines to be followed by all students. These apply to all projects. All written work that is handed in to a teacher will follow this format.

**Handwriting counts! Grammar counts! Spelling Counts! Neatness Counts!**

Written work will be handed in without scribbling or crossing out. It will be done on loose-leaf paper, not paper ripped out of a notebook. Beginning in 3rd grade, cursive must be used. Beginning 4th grade, all final products except Math must be completed in pen. Posters must be done neatly and all cutting and labeling must be straight. Posters must be labeled in pens or markers. 

*Showcase your excellence!*

**Parent Conferences**
Scheduled conferences are held for parents in the Fall. Parents or teachers may request conferences at other times during the school year as needed. You will receive notification about how to schedule your conference online via Sign Up Genius link prior to the appointed conference day.

Conferences are held in the student’s homeroom. Special Area teachers may join the conference or parents have the option of requesting a meeting with any special area teacher before or after their scheduled classroom teacher conference time.

**Group Placement**
Placement is a complex process that involves both the consideration of the individual children and the creation of the social and learning community. Discussion about placement involves many people: the classroom teachers, special area teachers, reading and math teachers, and administration. Placement decisions are very
important. The process is thoughtful, rigorous, and engages time and energy to best meet the needs of all students. With regards to academic areas, the Archdiocese of Baltimore does not contain multiple curriculums for any grade in ELA. It is the same for Math, with the exception of two curriculums in 7th and 8th grade Math.

High School Admissions and Visitation Policy

St. Stephen School assists families with the high school process. Mrs. Marianne Kozlowski is our point of contact.

High school visitations for grade 7 is limited to one excused visitation day. Visitation for grade 8 is limited to 3 excused days. A google form will be sent to all 7th and 8th grade families to indicate visitation days and when your child will be out of school. Students are expected to make up work missed on visitation days. We recommend visitation days be scheduled for our student days off or on early dismissal days. The students are not required to make school visitations; this is optional.

All high school visitations must be completed before Christmas break as applications to high schools are due by December 16, 2022. Acceptance letters are mailed in February.

Catholic High Schools in The Archdiocese of Baltimore require applicants to take the High School Placement Test. It is important that your 8th grade child take the test if there is any chance he/she may be attending a Catholic high school. St. Stephen students take the High School Placement test during the school day on November 30, 2022. The online portal for registration opens on September 13, 2022.

Some schools require recommendations in addition to the Archdiocesan referral form, which is automatically provided to the school for each student. If your child applies to a school that requires a separate recommendation, please submit this request directly to Mrs. Kozlowski with at least two weeks’ notice prior to the due date. Please note that recommendations of any type will not be given to the students or parents/guardians to be hand-carried to the schools; they will be mailed directly to the Admission directors of the High Schools.

Student Records

Student records are maintained in the school office or a designated administrative area. Access to records is governed by the Records Policy.

Records Policy (Family Educational Rights and Privacy Act)
St. Stephen School complies with the Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student education records. In general, FERPA gives parents certain rights with respect to education records. (The rights granted to parents under FERPA automatically pass to the student when the student turns 18 or enrolls in college.) These rights and related procedures of St. Stephen School are as follows:

- Parents have the right to inspect and review the student's education records maintained by the School. Parents should submit to the main office, attention Shannon Anoia, a written request that identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent of the time and place where the records may be inspected.

- Parents have the right to request that the School correct records they believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents who wish to request an amendment of the student's records should write to Mrs. Marianne Kozlowski, the Principal and clearly identify the part of the record they believe is inaccurate or misleading and the information they believe should be included in a corrected record. If the School decides not to amend the record as requested, the School will notify the parent of the decision and the parent's right to request a hearing.

- Parents generally have the right to consent in writing to disclosures of information from a student's education record. However, there are certain exceptions to the consent requirement, including disclosures under the following conditions:
  - To School officials who have a legitimate educational interest in the information. A school official is a person employed by the School or the Archdiocese as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person or company with whom the School has contracted to provide a service (e.g., attorney); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibilities or duties to the School.
  - To other schools to which a student is transferring.
  - In connection with financial aid under certain circumstances.
  - To specified officials for audit or evaluation purposes.
  - To organizations conducting certain studies for or on behalf of the school.
  - To accrediting organizations.
  - In order to comply with a judicial order or lawfully issued subpoena.
  - To appropriate officials in cases of health and safety emergencies.
The School also may disclose appropriately designated "directory information" without written consent unless a parent objects in writing. The primary purpose of directory information is to allow the School to include this type of information in certain publications. Examples of such publications include a playbill, showing the student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

The School has designated the following as directory information
- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Honors and awards received
- Date and place of birth
- Dates of attendance
- Grade level

Parents who do not want the School to disclose the above directory information without their prior written consent must notify the principal in writing by September 16, 2022.

- A log must be maintained of each request for access to and each disclosure of educational record information other than disclosure to parents or students 18 or older or school officials. The log should contain the name of the person(s), the date, and the legitimate interests the person had in requesting or obtaining the information.

- Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by St. Stephen School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202–8520.

Parental Support/Compliance

In cases of serious or repeated noncompliance by a parent with school policies or procedures, the administration reserves the right to withdraw that parent’s child/children from the school.
Cell Phones

Students are permitted to bring a cell phone to school, but it must be brought to the designated drop-off point immediately upon the student’s arrival to school, checked in, and should then be retrieved from this point at dismissal. At no time during the school day, or while in the school building, are students allowed to have access to their personal cell phone. Cell phones may not be used during dismissal, during After Care, or during after school clubs and activities. Cell phones are not to be used in the parking lot for safety reasons; however, cell phones are permissible when the student is in the car. St. Stephen will not be responsible for the theft, damage or loss of such devices. Any student using an electronic device during the school day will have the device confiscated, an electronics violation will be given through PBIS, and the parent will have to pick up the device in person from the office at the end of the school day.

Apple Watches
Students are not permitted to wear Apple watches to school. Due to the ability of these electronic devices to text, access the internet, email and social media, they are not permitted.

Ipods, Air pods, Ipads
Students are not permitted to bring and use Ipods, Air pods, or Ipads to school. Due to the ability of these electronic devices to text, access the internet, email and social media, they are not permitted.

Acceptable Use Policy for the Internet and Technology Tools

Technology skills are necessary to ready our students for their future. Access to the Internet and technology tools (including software tools, web-based applications and services, computer equipment, I-Pads, and other personal electronic devices) allow students to conduct research, produce digital content, and communicate with classmates and teachers. The Internet and technology tools put enormous power at the fingertips of users. As such, they also place a great deal of responsibility on users.

It is imperative that technology resources be used to build community, encourage critical reflection, and foster readiness for future learning. Developments in technology at the School are to be used ethically, legally, and responsibly. As in other areas, our students are expected to make good choices with regard to their behavior.

Individual users are responsible for their activity on the Internet and technology tools, including the material stored and information shared. In order to protect private and personal information, unauthorized disclosure, use, or dissemination of personal information is prohibited. The School reserves the right to edit Internet accounts for child-only configurations, and to run filtering software for students’ protection.
The purpose of this policy is to ensure that student users (and their parents) recognize the limitations the School imposes on the use of the Internet and technology tools and that they understand the standards of behavior the School expects of users.

All users of the School network and technology tools, whether on a School-owned or personal device, are responsible for adhering to the following guidelines for acceptable use.

**Acceptable** uses of the Internet and technology tools are for authorized academic and school-related activities that support learning and teaching and:

- Respect the privacy and property rights of others and the well-being of the School
- Are consistent with Roman Catholic values and morals
- Treat technology tools and computer equipment with respect

**Unacceptable** uses of the Internet and technology tools include but are not limited to:

- Violating the rights or privacy of others, including by photographing or filming an individual without consent
- Posting or distributing videos or photographs without consent of the persons depicted and the School
- Using technology to send profanity, obscenity, or other offensive or harmful language
- Unauthorized copying, downloading, or installation of content, software or applications (including plagiarism or “pirating” music)
- Sending false information or sending messages to the School community that fail to identify the sender (including anonymous messages or messages using a pseudonym)
- Using any program designed to disrupt network performance or breach network security, such as software designed to capture passwords or break encryption protocols
- Revealing personal information beyond what is required for login while using Internet or web-based resources
- Responding to inappropriate messages from others (which should be reported to the School)
- Downloading or copying information onto disks or hard drives without prior teacher approval
- Accessing, downloading, storing, or printing files or messages that are inappropriate or may be offensive to others (including pornography and other inappropriate images)
- Sharing of passwords or attempting to discover another’s password (passwords should be changed frequently)
- Using or accessing another’s account (network accounts are to be used only by those for whom the account has been established)
- Intentionally writing, producing, generating, copying or introducing dangerous
codes or programs designed to cause harm, including, but not limited to viruses, bugs, ‘worms’, etc.

- Intentionally damaging, altering, or tampering with any hardware, software, printers, keyboards, speakers, etc.
- Accessing or searching files, directories, or folders for which the user does not have authorization
- Intentionally erasing, renaming, or disabling of anyone else’s files or programs
- Accessing social media, email, or other off-task websites or apps during School without explicit permission of a teacher or adult supervisor
- Violating School conduct rules or the law

Harassment/cyber-bullying of others online, whether against a student, non-student, or employee, is serious, is prohibited, and is contrary to the School’s policy and values. Harassment/cyber-bullying whether it is initiated on campus or off campus, online or in person, should be reported immediately to a faculty member, and may lead to disciplinary action and possible criminal prosecution under Maryland’s law prohibiting the Misuse of Interactive Computer Service (“Grace’s Law”).

Parents are responsible for:

- Reviewing and discussing this policy with their child as well as supporting the School in its enforcement
- Partnering with the School in monitoring their child’s technology use
- Modeling appropriate Internet behaviors for their child
- Reporting any concerns regarding this policy or their child’s use of the Internet or technology tools to School personnel.

Failure to adhere to the policy guidelines may result in a revocation of a student’s Internet access and other technology privileges and disciplinary action up to and including suspension or expulsion.

Web-based Services

The School uses Google Apps for Education as well as other web-based education tools, sites, and services (“web-based services”) to provide students with important web-based educational experiences and enhanced opportunities to communicate and share collaboratively with one another. As part of students’ use of web-based services, certain educational records may be created, collected, or stored. Directory information, such as a child’s name, email address, grade/age, and enrollment status, may also be shared with web-based services. The School may access, monitor, and review children’s use of web-based services and Internet use and children shall not have any expectation of privacy with respect to any communications or activities through such services. Use of web-based services is for educational purposes only and subject to the conduct and acceptable use guidelines set forth in this Handbook. A list of the School’s web-based services and corresponding privacy policies are available upon request. By enrolling a child in the School, the parent consents to the child’s
participation in the School’s academic activities and programs, including the child’s use of and access to web-based services as described in this paragraph. In order to withhold or withdraw consent for the use of web-based services, parents must contact the School principal in writing.

Emergency Plans

Emergency Plans are reviewed and updated annually. St. Stephen School duplicates the Baltimore County Emergency Plan and the policy of the Archdiocese of Baltimore. If it becomes necessary to close St. Stephen School because of an emergency at the facility, school officials will make every effort to notify parents through PowerSchool Swift K12.

Emergency fire and safety drills are held on a regular basis. It is important that children know how to conduct themselves during the drills; they must walk out the designated exit in silence, not touching anyone. These directives have been given by the Fire Department Office as well as the Department of Catholic Schools. St. Stephen School follows these directives. During Emergency drills, all parent volunteers and visitors must follow the evacuation procedures.

Emergency information is kept on file for each student. Telephone numbers must be kept current. Any change of phone numbers or home addresses must be emailed to the school office as soon as the change is complete and updated in PowerSchool. Children will only be released to the person(s) designated on the emergency form, unless otherwise instructed by the custodial parent/guardian.

Parent(s)/Guardian(s) who go out of town must give the school the name and telephone number of the person in charge while they are away.

If there is a change in the family status/or the change of a child’s name, it is important that the school be informed promptly of the change. In case of a change of custody, a copy of the portion of the court order that describes the custody arrangements must be on file with the school.

EMERGENCY & WEATHER-RELATED CLOSINGS/DELAYED OPENINGS

St. Stephen School may be closed all day, may delay its opening, or may dismiss early because of inclement weather (snow, ice, fog, or utility failure (electricity) etc.). In the event of such weather, parents should be mindful of the following:

- St. Stephen School follows the directions of the Baltimore County Public School System. Should Baltimore County have a two-hour delay on a 12:00 PM dismissal day, we will not have school.
- Parents should not call the convent, parish center, or rectory for the information.
Communication to Parents

In the best interest of students, the school welcomes and encourages communication between parents and teachers. Whenever a situation occurs that causes concern, the concern should be addressed first at the level at which the situation arose. Please contact your child’s teacher directly by email or phone to schedule a mutually convenient time to meet.

Parents whose phone numbers are unlisted must give the school either the unlisted number or a number where the parent(s) can be reached. It is essential that the school have this information in case of an emergency. It will be kept in the strictest confidence. Any change of phone number or home address is to be given to the school office and homeroom teacher immediately.

Non-Custodial Parent

Emergency card information for each child is to be kept current. Children will only be released to the person(s) designated on the emergency card, unless otherwise instructed by the custodial parent/guardian.

Non-custodial parents are welcome to review their child’s records unless there is a court order or legal agreement prohibiting such access. The school may notify the custodial parent of a request to review records. St. Stephen School does not allow a non-custodial parent physical access to his/her child during school hours or on school premises unless the custodial parent has consented or the school has a court order permitting access.

Weekly Communication from Administration and HSA/Fathers’Club

Throughout the school year, our online monthly calendars are updated to inform parents/guardians of school information. A weekly Wednesday email will be sent to all families containing important information for the upcoming week. In addition, there will be a weekly Monday email sent from HSA and Fathers' Club sharing information about upcoming events and volunteer details. The weekly communications will be sent via email through PowerSchool Swift K12. They will also be available on the school’s website www.ssschool.org. Parents and guardians are responsible for the information contained in the weekly communications. Please take the time to review the information that is sent home and periodically check the school website. If clarification is needed, the school office welcomes your call. The HSA email is hsa@ssschool.org and the Fathers' Club email is fathersclub@ssschool.org
SWIFT K12

In response to some of the many challenges facing our Catholic Schools today, the Archdiocese of Baltimore has determined that our Catholic Schools be equipped with an immediate notification system to communicate swiftly to families in the event of a school emergency.

Swift K12 provides rapid communication solutions serving many school districts across the country. The web-based system delivers voice and email messages and texts to inform students, parents, faculty and staff on important and time-sensitive information. In addition to delivering routine messaging, Swift K12 is a critical component to every crisis plan, ensuring accurate information is communicated immediately in the event of a lockdown, relocation, evacuation, or other emergency situation. Swift K12 synchronizes with the data maintained in PowerSchool and SchoolAdmin and eliminates the need to update multiple systems. It is crucial to the implementation of Swift K12 that all families update their emergency contact information in PowerSchool and SchoolAdmin as soon as possible after any changes occur.

Change in Address

When there is a change in address, the school is to be notified immediately and that information is immediately changed in School Admin by the parents.

Change in Name or Family Status

If there is a change in the family status/or the change of a child’s name, it is important that the school be informed promptly of the change. In case of a change of custody, a copy of the portion of the court order that describes the custody arrangements must be on file with the school.

Non-Discrimination Statement

The State of Maryland requires the following statement in the Student Handbook:

“It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with:

(1) Title VI of the Federal Civil Rights Act of 1964; and
(2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not:
   (i) Discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability;
Refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual’s race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or

(iii) Discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint.”

The State of Maryland does not require a nonpublic school that is religiously affiliated to enroll, retain, or extend privileges to a student or prospective student who does not meet the usual and regular qualifications, requirements, and standards of the program or school or to adopt any rule, regulation, or policy that conflicts with the program or school’s religious or moral teachings provided that the denial, rule, regulation, or policy is not based on discrimination on the grounds of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability.

Harassment Policy

It is the policy of the Archdiocese to prohibit harassment on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, sexual orientation, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process) in its education programs and activities. Each Catholic school shall adhere to this policy with respect to students. (Employees are similarly protected from harassment by a separate Archdiocesan policy.) A school is not required to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings.

I. Scope

This policy applies to all students in Archdiocesan elementary, middle and secondary schools. The Archdiocese neither condones nor tolerates harassment of students at school, at school-related activities or functions, or in any school-related setting. Harassment of students, whether engaged in by other students, teachers, administrators, or others, is prohibited. Violation of this Policy is grounds for disciplinary action up to and including termination of employment or suspension or expulsion from school, depending on the nature and severity of the offense and the individual’s disciplinary record.
II. **Prohibited Conduct**

A. For purposes of this Policy, “harassment” means verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, sexual orientation, or protected activity, that:

(i) Has the purpose or effect of creating an intimidating, hostile or offensive environment;

(ii) Has the purpose or effect of unreasonably interfering with an individual’s academic performance; or

(iii) Otherwise adversely affects an individual’s educational opportunities.

B. Harassing conduct includes, but is not limited to, epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to race, color, sex, national origin, religion, age, handicap or disability, gender identity or expression, or sexual orientation. “Sexual” harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for educational decisions or has the purpose or effect of unreasonably interfering with an individual’s academic performance or creating an intimidating, hostile or offensive environment.

III. **Procedure**

A. Any person who believes that a student is being subjected to harassment should immediately report the harassment to any one or more of the following individuals: the student’s teacher, the principal of the school, the Superintendent of Catholic Schools.

B. Individuals are encouraged to report harassment early, before it becomes severe or pervasive, so that preventive action can be taken. All complaints will be investigated promptly, thoroughly and impartially, and will remain confidential to the extent possible.

C. Any retaliation, reprisals, or intimidation, whether by the alleged harasser or from another source, directed toward the complaining party or anyone else as a result of the filing or investigation of a harassment complaint is considered a serious violation of this Policy.
and should be reported immediately.

D. Once the investigation is complete, the school will take immediate and appropriate corrective action when it determines that this Policy has been violated. The complaining party and the complained-of party will be advised of the investigation’s findings and conclusions. A report of the findings will be forwarded to the Department of Catholic Schools.

Bullying Policy Statement

Bullying, harassment, or intimidation (as defined below) of any student is prohibited in all Archdiocese of Baltimore Schools. Retaliation or reprisal against anyone who reports such behaviors or participates in an investigation of a report is also prohibited. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God’s children. To foster a school environment where all students are educated in a safe and caring atmosphere, all Archdiocesan schools will follow established procedures for bullying prevention, intervention, and response.

Harassment of students on the basis of race, color, sex, national origin, religion, disability or handicap, gender identity or expression, and sexual orientation are also addressed under the Archdiocesan Student Harassment Policy in the Code of Conduct. Suspected abuse or neglect of students is addressed under the Policy for the Protection of Children and Youth.

“Bullying, harassment, or intimidation” means intentional conduct, including written, verbal, or physical conduct or an intentional electronic communication, that:

a. Creates a hostile educational environment by substantially interfering with a student’s educational benefits, opportunities, or performance or with a student’s physical or psychological well-being and:

   i. Is motivated by an actual or a perceived personal characteristic including race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, or physical or mental ability or disability; or

   ii. Is sexual in nature; or

   iii. Is threatening or seriously intimidating; and

b. Occurs on school property, at a school activity or event, or on a school bus, or substantially disrupts the orderly operation of the school.
Electronic technology means a communication transmitted by means of an electronic device, including a telephone, cellular phone, computer, pager, etc.

Retaliation means an act of reprisal or revenge, i.e., getting back at a person for an act he/she committed (such as reporting misconduct).

Reporting forms are located in the main office and on the school’s website.

ARRIVAL TIME

Drop-off begins at 7:45 a.m. Upon arrival in the morning, all K-8 students will proceed to the school hall/gym. Drop-off concludes at 8:00 a.m. School begins at 8:00 AM with Prayer, “The Pledge of Allegiance” and announcements in the school hall/gym. Students are encouraged to bring a book with them to read in the morning for the time period between drop-off and 8:00 a.m. No electronic devices are permitted during this timeframe. Quiet conversation is permitted. Instruction begins at 8:15 AM after students proceed from the school hall/gym with their homeroom teacher.

Transportation Procedures

DROP-OFF/PICK-UP

What are the morning drop-off and afternoon pick-up procedures?

The driving parking lots will be opened beginning at 7:15 and cars are welcome to line up. However, no students may exit cars until 7:45 am when a school staff member welcomes students out the cars via hand signal and verbal confirmation. To begin the drop-off procedure, cars will proceed up the driveway to the right of the soccer field and follow the cones that form two lanes on the school parking lot. School personnel will direct the traffic flow. If the line of cars extends onto Bradshaw Road from the soccer field driveway, please use the driveway next to the parish office and follow the directions of school staff. Students in kindergarten through eighth grade should exit the passenger side of the vehicle and enter school at the entrance next to the school hall. Cars can not hold students to drop them off at a specific or particular area of the driveway as this impedes the traffic flow for the morning. After students have exited the vehicle from the right side of the car, proceed forward and drive across the parking lot back to the driveway next to the soccer field. Be mindful of oncoming traffic from the Pre-K drop off line. Drop-off will take place from 7:45 am until 8:00 am with the tardy bell ringing at the end of the morning announcements at 8:05 am. At 8:05 am, students will proceed from the school hall to their homeroom classrooms with their homeroom teacher.

Parents dropping off at the Pre-K building must proceed through the regular arrival line even if they are not dropping off a student in the main building. Never drive across the parking lot for drop off. Follow the flow of traffic; however, Pre-K drop off will enter the cones in front of the Pre-K building, and school personnel will assist students exiting vehicles. After Pre-K students have exited the vehicle from the right
side of the car, proceed forward and cross the parking lot back to the driveway next to
the soccer field. Please be mindful of oncoming traffic from the main school drop off
line.

Parents picking up Pre-K through eighth grade students should proceed up the
driveway to the right of the soccer field and form two lines beginning at the top of the
driveway. If the driveway is full, DO NOT block Bradshaw Road. Proceed to the church
parking lot and form a line to the front right of the church that will circle around the
back of the church. At approximately 2:30 PM, school personnel will begin to direct
vehicles onto the school’s parking lot to form multiple lines. After your car is parked,
you will proceed to the front of the school to greet your student. Once students have
been dismissed, it is imperative that all people return directly to their cars as soon as
possible to begin the process of cars departing the parking lot. Students will not be
able to have their cell phones out until they are in their car - do not call or text
students to indicate your location in the parking lot. At 2:55 PM, school personnel
will close the parking lot and direct vehicles into the second dismissal line.

Remember:

- Parking on the church parking lot for arrival/dismissal is prohibited. Parents may
  not walk from the church parking lot to find their child at dismissal. Additionally,
  students are not permitted to walk to the church parking lot to find their ride and
to avoid the pick-up procedures.
- Cars should never enter or exit the parking lot during arrival or dismissal unless
directed by school personnel or the student safety guards.
- Pets must stay in vehicles.
- Please turn off vehicles when waiting for students.
- Parents in the "first wave" arriving by 3:00 PM at pick up, will park in closely
  packed rows on the center of the lot, turn off their cars, and exit their vehicle to get
  their students at dismissal. When safely in your vehicle, follow the directions of the
  school safety guards to exit the lot.
- Parents in the "second wave" arriving at 3:00 PM or later will remain in their
  vehicle, single file, to the far right of the lot along the cemetery. When directed,
pull forward in front of the school, remain in your car, and when the "all clear"
whistle blows, your student will come to your car. Exit as directed by the school
personnel. Follow this same procedure for the "third wave" also.

Failure to follow the arrival and dismissal procedures puts student safety at risk!
Please ensure that anyone who drives your child to or from school is aware of these
procedures. Students are only to be released to custodial parents or those adults listed
on emergency contact forms. Students are never allowed to leave school in an UBER,
Lift, or any private transportation company. Parents who have students that walk
home alone must provide written permission to the main office for this to occur.

**Admissions**

**Application Process**

St. Stephen School does not discriminate on the basis of race, color, gender, and/or ethnic origin, disabilities and/or special healthcare needs in the administration of its educational policies, admission policies, athletic programs, etc.

St. Stephen School accepts children for the purposes of religious and academic formation. Provided there are openings, the school admits students in the following order of priority:

- currently enrolled students
- siblings of currently enrolled students
- the children of officially registered parishioners* of St. Stephen Parish with consideration given to length of time that the parishioners are registered in St. Stephen Parish
- Catholic non-parishioners’ children who are not currently enrolled
- Non-Catholics’ children who are not currently enrolled

St. Stephen’s application process is entirely online through SchoolAdmin. All applications (Pre-K 4 included) are immediately put on the waitlist and follow the procedure outlined below.

*Parishioners are defined as Catholic households registered in the parish, regularly worshiping at Sunday Mass, participating in parish life, and contributing to the financial support of the parish by regularly contributing.

Children entering Pre-K must be toilet-trained. No pull ups are permitted.
Children entering Pre-Kindergarten for 4 year-olds must be four years of age on or before September 1st. Under special circumstances, children whose birthdays fall after the September 1st deadline, may be accepted into our Pre-K 4 program. These children are required to score 85% or higher on the Spring Brigance Screening in order to move forward to St. Stephen Kindergarten. The Brigance Kindergarten Screening is administered to our Pre-K 4 students in April.

Children entering kindergarten must be five years of age on or before September 1st. Children must be toilet-trained.

**PROBATION POLICY**

All new students are given a two-month evaluation period. If during this time the school is unable to meet the needs of the student or the student demonstrates an inability or unwillingness to comply with school policies, the parent(s) will be asked by the principal to place their child(ren) in another school. Such recommendations would only occur after continued communication and a conference with the parent(s)/guardian(s) and school administration. Students are initially placed using the results of the following:

- School administered placement test
- Teacher recommendation (from sending school)
- Progress reports
- Standardized test results

**WAITING LIST**

Each year, St. Stephen School maintains a wait list for admission. Parents wishing to place their child on the waitlist can do so by completing an online application in SchoolAdmin (link found on our website) and by paying a non-refundable $100 application fee. Applications open on August 1, 2022, for the 2023–2024 school year. This list is maintained until July 31, 2023. At this time, the list is erased; the school does not keep a list from year to year.

**NEW STUDENT ADMISSION POLICY**

New students are considered for open spaces once their applications, application fees, and the required supporting paperwork are complete in the SchoolAdmin Portal. The following must be complete for consideration for admission to St. Stephen:

- Application
- Payment of $100 non-refundable application fee
- Upload of child’s birth certificate
- Most recent report card (grades 1–8)
- Permission for school to obtain previous school’s records (if applicable)
- Copy of baptismal certificate (if applicable)
- Standardized Test Scores (if applicable)
The admissions committee will meet to review applications and acceptance letters will be sent in January. The first round of acceptances will be sent to parents via the emails provided in their SchoolAdmin profiles. At this time, newly accepted families will be given a window in which to accept or decline their offer of admission. Those families accepting will pay a $100 non-refundable registration fee and a deposit on tuition. They will then complete their contracts in their SchoolAdmin profile. They will be notified of any additional forms via email from SchoolAdmin.

NEW STUDENT REGISTRATION

New students must complete their contract, FACTS agreement, and school communication forms in their SchoolAdmin portal for them to be considered enrolled. These documents will become available after the first round of admissions. By April, the remaining registration forms (i.e. after care enrollment form, grandparent form) will become available for completion. These forms can be completed at your convenience but must be completed by August 1st; they are not optional.

CURRENT STUDENT SIBLING ADMISSIONS

Siblings of current students are given preference during the admissions process if space is available. All families looking to enroll a sibling of a current St. Stephen Student must follow the new student process. Parents/guardians must submit an application and pay the non-refundable application fee for their intended new student. Applications must be completed prior to December and should be marked during the completion of the intent to enroll form for the current St. Stephen Student.

FINANCIAL OBLIGATIONS

Tuition payments are collected by FACTS; applicable forms are available and must be completed in SchoolAdmin. Books and fees are included in the tuition. Tuition payments begin in May for the following school year, and parents can select either one full payment, semi-annual payments, or monthly payments. Tuition assistance is available to parents from the BOOST program, AOB funds, and parents who are registered participating members of St. Stephen Church. There is a one year waiting period before a new family in the parish becomes eligible for tuition assistance.

RE-REGISTRATION POLICY

The re-registration process for St. Stephen School is completely online. Parents will need to log in to their SchoolAdmin portals to ensure their student(s) is completely re-registered. Intent to enroll forms, contracts and FACTS agreements will be made available in each student’s SchoolAdmin portal by December. Parents/Guardians will have until the start of Christmas break to complete this form for each child. A $100 non-refundable
registration fee per family is due at the time of completion of this form and a non-refundable tuition deposit. By April, the remaining reregistration forms (e.g., after care registration, grandparent) forms will become available in the SchoolAdmin portal for completion. These forms can be completed at your convenience but must be completed/uploaded to SchoolAdmin by August 1st; they are not optional.

OUTSTANDING DEBTS

It is the responsibility of each family to ensure that all financial obligations are met prior to the start of the school year. St. Stephen School reserves the right to refuse admittance to class, withhold Progress Reports and transcripts, and/or shut off PowerSchool Parent Access when the family fails to meet payments satisfactorily or to conclude a financial arrangement mutually convenient to both parties. No Progress Reports will be issued for any family whose payments and obligations are not current. Admission for each trimester is conditional on satisfactory compliance with all financial obligations.

Failure to meet all financial obligations in a timely manner may result in a student being removed from his/her class list for the upcoming academic trimester. Once tuition obligations have been met, a student may be readmitted on a space available basis.

We realize that from time to time extenuating circumstances may occur which would prevent you from paying your tuition in a timely manner or which might require a different payment arrangement. If so, please contact the school principal as soon as possible to establish a mutually satisfactory arrangement and to note your account. The school principal must approve all special arrangements.

WITHDRAWAL

Upon acceptance of a student by St. Stephen School, the full year’s tuition shall be considered payable. If a student should leave St. Stephen School for any reason during the school year, St. Stephen School will refund tuition based upon the following schedule:

<table>
<thead>
<tr>
<th>Date of Departure</th>
<th>% of Tuition Refund</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prior to May 15th</td>
<td>100% (except deposit and withdrawal fee)</td>
</tr>
<tr>
<td>Prior to July 1st</td>
<td>50% of annual tuition</td>
</tr>
<tr>
<td>Prior to start of school year</td>
<td>25% of annual tuition</td>
</tr>
<tr>
<td>After the start of the school year</td>
<td>0%</td>
</tr>
</tbody>
</table>

All tuition refunds are contingent upon St. Stephen School receiving written notice prior to the student’s actual departure date, and the refund amount will be determined based on the actual departure date. A tuition contract is signed by each family at the time of re-registration.
**INSURANCE**

Accident insurance is available for each child through an independent company.

**Attendance**

**Absence**

Regular attendance is considered essential for learning at St. Stephen School. Students need to develop the work habits and responsibilities required of all of us as we go through life. When a student is absent from school, a parent/legal guardian must telephone the school between 7:45 am and 9:00 am to report the reason for absence. All absences and tardiness become part of a student’s permanent record. Absence from school during the academic year due to family vacations is strongly discouraged. Missed work and assignments may only be obtained upon return and cannot be requested prior to the trip.

Students who are absent from school may not participate in any after school or evening school sponsored events such as sports, dances, etc.

If a student is absent for consecutive days due to a health reason, teachers will provide assignments 24 hours after the request has been made from the family. This work will be available in the main office during school hours.

Additionally, any student who is absent more than 5 days within one trimester will be contacted via email from school administration. Any student who is absent 10 days within one trimester will receive a phone call from administration to avoid continued truancy.

When he/she returns to school, the student must bring a written note to his/her homeroom teacher signed by a parent/legal guardian stating the reason for absence. The school reserves the right to require a doctor’s note for absences due to illness or injury or need for assessment/evaluation. A child may not return to school until he/she is well enough to participate in all school activities. If a student will be out of school for an extended period, whether continuous or intermittent, parents should consult with the administration regarding appropriate support of the student in fulfilling the school curriculum or alternative arrangements such as home and hospital services through the local public school district. Per Student Policy 1.0 More than 20 days absent in one school year is considered excessive. When a student has a chronic or intermittent health problem, parents should contact administration.
Truancy

Truancy is defined as a student absenting him/herself from school without parent/legal guardian permission, or leaving school grounds without permission during the school day. Truancy may result in disciplinary action up to and including suspension or expulsion.

Lateness

Students may enter the school at 7:45am. The school day begins at 8:15am. Any student arriving after 8:05am is considered late and must report to the office for a late slip. Tardiness is entered on a student’s permanent record. It is the responsibility of the student to check with the homeroom teacher to receive the necessary communication or work that may have been missed due to lateness.

Additionally, any student who is tardy more than 5 days within one trimester will be contacted via email from school administration. Any student who is tardy 10 days within one trimester will receive a phone call from administration to continued truancy.

Early Departure/Late Arrivals

The school discourages early departures and requests that families arrange medical and dental appointments, etc. after school hours, on early dismissal days, or during vacation periods. Check the calendar for days when school is not in session.

In order to be considered present for a half day, student(s) must be in class for at least four instructional hours.

Parents are requested not to take their children out of school for appointments, etc., unless there is an emergency. If a child needs to be dismissed early, the parent must come to the nurse’s office to pick up the child. Children will be allowed to leave class when they are called to the nurse’s office. Notes for early dismissal must be approved by the principal or his/her designee.

REGULAR DISMISSAL

Pre-K 4 students and students in grades K-8 are dismissed at 3:00 PM each day. Staff members are involved after dismissal with conferences, meetings, extracurricular activities, and/or lesson preparations; they are unavailable for supervision of
students. We know that sometimes parents get held up and can not pick up on time. Of course, we will make sure that your child is safe and well supervised until you arrive. Dismissal begins at 3:00 p.m. and all students must be picked up by 3:15 p.m. Attending Aftercare is not an option unless you have already registered for the program. If your child remains on the St. Stephen Campus after 3:15 pm, he/she will remain until a parent comes to sign him/her out. Parents are asked to come to the front entrance of the school. We will make every effort to call the individuals listed on your child’s emergency contact form. To compensate the faculty or staff member who will be with your child, the following fees will be applied for the late pick up for students who are consistently not picked up within the given timeframe. These fees will be billed through your FACTS account. These charges will begin after Labor Day. The following chart shows the breakdown of charges:

<table>
<thead>
<tr>
<th>Time Picked Up</th>
<th>Fee per Child</th>
</tr>
</thead>
<tbody>
<tr>
<td>3:15 - 3:30 pm</td>
<td>$15.00</td>

</tr>
<tr>
<td>4:15 - 4:30 pm</td>
<td>$35.00</td>
</tr>
</tbody>
</table>

On days with early closings, the parents are asked to make timely arrangements for transporting their children home.

Once children are picked up, they should not re-enter the building to get materials they left behind by accident, or to deliver papers to teachers after school.

Kindergarten students will dismiss from the elementary school building via the doors nearest the middle school walkway. Grade 4 and 5 students on the second floor will dismiss out the doors by the hall. Grade 1-3 students will dismiss from the main door by the office. Middle school students will all dismiss from the main door of their building and proceed down the new concrete walkway onto the blacktop. All teachers will walk their classes from their homeroom classroom to the blacktop.

**EARLY DISMISSAL DAYS**

On scheduled early dismissal days, the school admits students at 7:45 AM and dismisses students at 12:00 PM.
DISCIPLINE

Statement on Philosophy of Discipline

St. Stephen School strives to develop responsible, courteous, self-disciplined boys and girls whose pride in themselves, their parents, their school, and their community is reflected in their behavior. The development of such young people requires a consistent practice of thoughtful, responsible behavior during these formative years. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of responsibility: to establish an atmosphere conducive to academic excellence; and to protect the welfare of the individual, as well as the school community.

Students may be disciplined for conduct that occurs on school premises or at school-sponsored events, or for other conduct that adversely affects the interests or reputation of the school regardless of where the conduct occurs.

Student Standards of Behavior
In order to show respect, maintain safety, and focus on learning, students are expected to:

1. Follow directions the first time.
3. Keep hands, feet and objects to themselves.
4. Be where they are supposed to be.
5. Take care of school property and personal belongings.
6. Walk quietly in the hallways to not disturb other classes.
7. Refrain from chewing gum.

Behavior
To maintain a positive learning environment and standards that are consistent with our Christian philosophy, it is essential that students exhibit a sense of responsibility and respect for themselves as well as others. Listed below are some behaviors that are unacceptable:

Disrespect in manner and/or language
Rowdiness
Using the property of others without permission
Dishonesty
Disruptive Behavior
Failure to have necessary supplies for class work
Dangerous Play
Rudeness
Vulgarity
Dress code violations
Gum
Harassment of any kind by word or manner
Possession or consumption of any drug or look-alike drug while at school or while attending a school function
Possession or consumption of alcohol while at school or while attending a school function
Possession of knives/weapons or look-alike knives/weapons
Possession of pornographic material(s)
Smoking/using matches/vaping/gummies
Willful destruction of school property
Leaving school property without permission
Theft or extortion
Fighting or threats of violence
Harassment

After school activities, while participating in practices, games, clubs or service projects activities are included in the definition of on-campus conduct.

When it comes to social media, whether posted during school hours, and on school property, or while occurring outside of the school property, if it creates a substantial disruption, the school can take action relative to in-school discipline. Cyberbullying is a form of bullying and is not in alignment with our Catholic faith and values.

Generally, the teacher will deal with infractions. Should circumstances warrant, the parent and/or the Administration involved will be consulted. In cases of serious or repeated violations, students may be subject to disciplinary suspension or expulsion.
The school’s fair procedure to be used in cases of possible suspension or expulsion is as follows: (review AOB policy 2.1 and 3.0)

While on suspension, the student is still responsible for missed work. After the specified amount of time for suspension, which shall not exceed three consecutive school days, the student and the parent(s)/guardian(s) will meet with the Administration for reinstatement. The Administration reserves the right to determine the conditions for reinstatement.

An expelled student forfeits all privileges of the St. Stephen School student. The Administrator reserves the right not to re-admit an expelled student at a later date. If a student is to be expelled, the student is entitled to a prompt review procedure established by the Department of Catholic Schools. A written request for review must be submitted to the Superintendent of Catholic Schools within 10 working days of the notice of intent to expel. Parents are given the option to withdraw the student in lieu of expulsion.

The school reserves the right to deny attendance to anyone whose behavior is contrary to the teachings and ideals of the school or whose behavior or attitude is disruptive to the functioning of the student body.

**Infractions**

Students are given infractions for not being prepared for class, not submitting homework, or wearing an incorrect or incomplete uniform. These must be signed by the student’s parents and returned the following day. Three infractions within one trimester will result in a demerit.

**Demerits**

Students are given demerits if they have a level one or level two violation. Demerits must be signed by the student’s parents and returned the following day. Failure to return a signed demerit on a due date will result in a phone call or email from the issuing teacher. After 3 demerits within one trimester, after school detention will be served. Detentions will take place on the 2nd and 4th Mondays of each month from 3:15pm – 4:15pm.

**Health and Safety**

AHERA – In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings and implement response actions in a timely manner. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, re-inspections, response actions and post-response action activities, including periodic surveillance activities that are planned or are in progress. The plan is kept in the principal’s office and may be viewed upon request during normal business hours.

**Maryland School Immunization Requirements**

A child may not enter school unless he/she has submitted an official immunization record or other appropriate documentation of immunization status. The immunization record must have the month, day and year of each vaccination and be signed by a physician or health department official. In the case of religious objection or medical contra-indication, form DHMH 89, must be submitted and kept
on file and be approved by the school. Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

**Dispensing of Medication**

The administration of medication in school is discouraged. However, if a student’s physician recommends that the student receive prescription or over-the-counter medication during the school day, a written order from the student’s doctor is required. Medication can only be dispensed with a written order from the student’s physician, specifying start and stop date. The original medication container or box for inhalers must be brought to the school. These containers or boxes should include the following: name of medication, directions for use, time for dispensing, name of doctor ordering the medication, date of prescription, expiration date as stated by the pharmacist, strength of medication/dosage, and student’s name and grade.

Students may not possess, dispense or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications (e.g. inhalers, epi-pens). In this case, the school nurse must be consulted. All medication must be delivered to school by a parent/guardian.

**Communicable Diseases**

Parents must call the school if their child is diagnosed with a communicable disease. The school must notify their county Health Department. All reports are confidential. Reportable diseases include the following:

Measles—regular or German (rubella)
Mumps
Meningitis
Hepatitis
Tuberculosis
Whooping Cough (Pertussis)
Adverse reactions to Pertussis vaccine
Rocky Mountain Spotted Fever
Food poisoning
Human immunodeficiency Virus/AIDS/all other symptomatic infections
Lyme Disease
Chicken Pox (varicella)
Influenza
Animal bites/Rabies
Covid 19
Children that vomit prior to school or while at school must remain home for 24 hours following the last episode of vomiting. Parents will be called to pick up their child if they attempt to send back their child prior to the 24 hours.

Children that are experiencing diarrhea are to remain at home for 24 hours after the last episode of diarrhea. Parents will be called to pick up their child if they attempt to send back their child prior to the 24 hours.

Children that have a fever above 100.0 prior to school or while at school must remain home for 24 hours after the fever breaks. Parents will be called to pick up their child if they attempt to send back their child prior to the 24 hours. Children can not be medicated prior to the school day to decrease the fever. Parents will be called to pick up their child if they attempt to return before the 24 hour fever and medication free timeframe.

If a child is diagnosed with Covid, the school will follow the most up to date guidance from the Archdiocese of Baltimore regarding the number of days for the child to remain at home as well as masking requirements.

If a physician diagnoses a child with an allergy that requires an Epi-Pen, it is the responsibility of the parent to supply an in-date Epi-Pen (for the entire school year) and the required administration orders.

A child sent home with suspected bacterial conjunctivitis (pink eye) must be on an antibiotic for a full 24 hours prior to returning to school.

**Health Records**
Parents are required to complete a Health Form listing any allergies, serious medical conditions, medications, and emergency contact information.

The school must be notified of any changes that occur during the school year.

**Head Injury**
If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. The report is to be signed by the parent/guardian and returned to school. If the parent/guardian or alternative contact person cannot be reached in an emergency, the school will contact police/ambulance for assistance.

**Insurance**
The school provides the option for parents to purchase health insurance for their children. This can be accessed through the Archdiocese of Baltimore website.

**Allergies**
Parents must notify the school of their child’s allergies including food allergies. School medication orders must be renewed each year by the physician and the order must be signed on or after July 1. If the student carries an EPIPEN with them, the physician must state this requirement on the order.

**Bloodborne Pathogens**
A complete Bloodborne Pathogens Standard Exposure Control Plan has been established by the school and can be found in each Faculty Handbook and on file in the Office.

**Vision/Hearing Screening**
The school follows the directives of Baltimore county/city Health Department and responds to parent’s requests for individual testing. This testing is usually done for:
1.) All new students who have not provided documentation for screening in the past year;
2.) All students the year they enter the school in Grades Pre-K, kindergarten, 1, and 8 or 9;
3.) Grade 3 or Grade 4 if funding is available;
4.) Any student with a suspected hearing or vision problem as reported by school staff or parents/guardians.

**Child Abuse and Neglect Reporting Policy**
Maryland law requires that all educators and other school employees, including volunteers, report suspected child abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped. Our school policy supports Maryland laws in this regard and requires that all school staff report suspected abuse and neglect to the Department of Social Services, Protective Services Division, and/or the local police department, as well as to the Principal.

**Visitors**
In order to ensure a safe environment for your child, all school doors will remain locked during the school day. All visitors must report to the main office and receive
an identification badge before visiting other parts of the school building. Visitors must also check out prior to departing the building. Visitors are not permitted to use faculty and staff keys or key fobs.

**USE OF SCHOOL GROUNDS**

St. Stephen School grounds are closed during regular school hours. In order to ensure a safe environment for your child, all school doors will remain locked during the day. On rainy days or severely cold days, the doors by the gym will be open until 8:10 AM. All visitors must report to the office before visiting other parts of the building or campus. Dogs are not permitted on the school parking lot.
Accommodations for Students

Each student has God-given gifts that make him/her unique. With that in mind, St. Stephen School attempts to meet the educational needs of all students to the best of our ability. If a student is not progressing academically, the school may ask parents/guardians to initiate a professional consultation and/or evaluation through the student’s home public school or a private practitioner to determine the exact learning needs. Parents/guardians may initiate this process on their own as well.

The evaluative process through the local public school system is generally called the IEP Process (Individual Educational Plan) and begins when a parent/guardian calls ‘Child Find’. Following the initial phone call to the Local Educational Agency (LEA) Child Find, parents/guardians are given an initial meeting date within 30 days. At this initial meeting, parents/guardians and school faculty are invited to share their concerns, present information, and discuss whether an evaluation will take place. Catholic school staff, in particular the student’s teacher, is a vital part of the process.

If an evaluation is deemed warranted and takes place, recommendations and an academic plan are developed by the public school and given to the parents/guardians at the summative meeting following the academic evaluation. If such a plan is developed and the test results determine that there is a need for accommodations and/or modifications within a student’s learning environment, St. Stephen School will develop a Student Accommodation Plan (SAP) when appropriate, based on the formal documentation provided by the local public school.

Guidelines for Student Accommodation Plan (SAP)

Documentation to support the need for accommodations must:

- state the specific disability as diagnosed, using the most recent DSM classification
- be within 3 years of most recent testing date; Testing documentation older than 3 years is not valid.
- provide a complete educational, developmental, and relevant medical history
- describe the comprehensive testing and techniques used to arrive at the diagnosis
- provide the professional credentials of the evaluator(s); Psychological diagnosis must be provided by a licensed, certified psychological clinician
- describe the functional limitations supported by the test results and how these limitations affect learning and testing
- describe the specific accommodations recommended as they relate to the classroom setting
Evaluation Services through Private Practitioners

St. Stephen families may choose to seek a psychoeducational evaluation through private, licensed psychological practitioners at their own expense. In this case, parents select a practitioner of their preference and arrange testing with that provider to be completed outside of school. Once testing is complete, parents/guardians are encouraged to share the test results with the school. When appropriate and if the school can meet the suggested accommodations, a Student Accommodation Plan (SAP) is developed.

Outside Services at St. Stephen School

St. Stephen School works in conjunction with a limited number of outside providers to provide student services during the school day. These services, such as speech/language and occupational therapy, must be approved by school administration. Outside providers are required to complete the Archdiocese of Baltimore private tutor form. Service times are arranged so they have minimal interference with classroom learning.

After School Care

St. Stephen School offers an after school childcare program for all ages. The After School Care Program is offered from the end of the school day through 6:00 PM. It is expected that all parents will be prompt in picking up their child/children at 6:00 PM. Any parent who is late will incur a late fee. Parents will be charged $1 per minute they are late to pick up their child. Additionally, once a parent signs their child out of Aftercare, the parent assumes responsibility for the supervision of their child and must depart school grounds.

Fees for this program are paid monthly through FACTS. Before a child may participate in the After School Care Program, all necessary information and forms must be completed in SchoolAdmin. All medical information must be current. Please consult the After School Care Program Director for detailed information pertaining to the program, space availability, enrollment, and fees.

Lunch

Children eat lunch in their classrooms, in the school hall and outside, weather permitting. All students should have lunch boxes to carry their food. Kindly make
sure that all lunch boxes or brown bags are labeled. Students are expected to take all uneaten food home so that parents are aware of what their children have eaten.

Students who forget their lunches may go to the nurse to get cereal. Parents who deliver homemade lunches must leave them in the office for delivery by the office staff. Fast food restaurant lunches and soft drinks are not permitted and will not be distributed to students to eat. This is in violation of the rules for food distribution from the Baltimore County government. This also includes purchasing food from the lunch vendor of the day if you did not order it for your child and bringing it to school.

To promote a healthy lifestyle and be considerate of the many allergies our students deal with, as applicable, please bring in “non-food” related birthday treats. Food treats will not be distributed, either homemade or store bought.

Hot lunches are provided Monday through Friday. Menus and ordering are done online at [www.boonli.com](http://www.boonli.com). Since we have this service, parents are not allowed to bring in outside food even if from the same restaurant who is providing lunch through Boonli.

**Snacks**

Snacks are to be sent into school with the intent to provide students with energy. No candy, cookies or desserts will be permitted. All snacks are a working snack. Please be sure whatever you pack, your child is able to eat while working in a station or completing independent work. Below is a list of suggested snacks...

- Fresh fruit or vegetables
- Dried Fruit
- Pretzels
- Crackers
- Gold Fish
- Popcorn
- Cheese stick
- Granola Bar

All class parties at which food is served must adhere to the peanut and nut free policy. The ingredients list must not include nuts or peanuts. Foods with “may contain” on labels should not be served in the classroom. To provide safeguard, no student should
bring in food to share with the class aside from designated classroom parties that have been approved by the classroom teacher.

**Water Bottles and Drinks**

Students may bring a filled water bottle to school for use during the day. There are refillable water stations for student use within the buildings. Students may not fill their water bottles with sports drinks, iced tea, soda, lemonade or any other beverage. Additionally, students may not bring soda cans, iced tea bottles or other bottled beverages in their lunch box.

**School Activities/Organizations**

**ATHLETICS/SPORTS – ACADEMIC ELIGIBILITY FOR MIDDLE SCHOOL TEAMS**

During various times of the school year, students are given the opportunity to stay after dismissal and participate in various age appropriate sports activities. The middle school students (grades 6–7–8) also participate in extracurricular sports where they compete with other schools as well as students in grades 3–8 on our cross country team.

It is very important for students to devote their efforts toward academic excellence while at St. Stephen School. A moderate amount of time is required by the coaches for practice and games. Each student must be on a sound academic footing in order to participate in the school sponsored team. Students must attain passing grades in all subjects at progress report time in order to participate in these sports. All school rules apply during these extracurricular activities at home and at away games.

**ALTAR SERVING**

Catholic students in grades 5–8 may become altar servers. Children are trained to assist at the liturgy.

**BAND**

St. Stephen School band is under the auspices of the Instrumental Music Program of Baltimore. This is an educational program designed to give students in grades 4–8 an opportunity to learn how to play a musical instrument and to participate in the school band and concerts. The students in grades 4–8 participate in weekly lessons, which occur during school hours, and band rehearsal, which is conducted after school. An additional fee is charged for this program.

**CHORUS**

The students in grades 3–8 are invited to join the St. Stephen School Chorus. Rehearsals are held during recess. The chorus performs several times during the school year.
LITURGICAL CELEBRATIONS
The children participate in the Celebration of the Eucharist. Celebrations of the Sacrament of Reconciliation are held periodically during the school year.

OUTREACH ACTIVITIES
The students participate in various outreach activities throughout the school year. These activities may include clothing/toy collection during Advent, Harvest for the Hungry food collection, Rice Bowl offerings during Lent, and supporting our sister parish, St. Steven Kenya.

SAFETY PATROL
Sixth through eighth grade students volunteer to assist in making school a safe place for students. This is a leadership role in the school through service to others. A teacher serves as moderator.

STUDENT COUNCIL
A Student Council, composed of students in grades 6–8, operates throughout the school year. The council assists the staff in carrying out a variety of student affairs and school-wide projects. Officers include a president, vice-president, secretary, treasurer, historian, and representatives for each grade level.

NATIONAL JUNIOR HONOR SOCIETY
The St. Stephen School Chapter of the National Junior Honor Society shall create an enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership and citizenship, and encourage the development of character in students of St. Stephen School.

Field Trips
Field trips are considered an integral part of the school’s educational program and a valuable learning experience for students. Field trips are scheduled at various times during the school year. In advance of the trip, a permission form, required by the Archdiocesan Department of Catholic Schools, is sent home. A student will be permitted to attend the trip only if the permission form is signed by the parent/guardian and returned to the teacher by the specified date along with any fee.

If, for some extraordinary reason, a student is unable to participate, the student is expected to attend school on that day and fees must still be paid since the rates we are quoted reflect total participation. Work will be supplied by the teacher(s), and the student will be assigned a classroom in which to work under the supervision of a staff member. If a student is unable to attend because of illness, we cannot promise a refund. The teacher must be notified if a child will not participate in the field trip experience. Students who are kept home from the trip will be marked absent.
Parent(s)/Guardian(s) are encouraged to participate as chaperones on field trips as the need arises. However, because of safety and liability factors, pre-school siblings and other school-age siblings are not allowed. We do not permit parents not selected as chaperones to join the group at the trip destination as this creates confusion.

All chaperones are required to complete Virtus training by September 30, 2022.

**PBIS**

The Archdiocese of Baltimore has implemented an evidence and research-based Anti-bullying Program, Positive Behavior Intervention and Support (PBIS). PBIS is a comprehensive framework in which schools focus on our Christ-centered teachings and values to create nurturing, safe, positive, and supportive learning environments. Consistent school-wide expectations are visible throughout the school and students’ positive behavior is acknowledged and celebrated. The PBIS framework adopts behavioral interventions into an integrated continuum that is designed to enhance academic and behavioral outcomes for every student.

**S.O.A.R.**

St. Stephen School has joined a network of schools that are proponents of the Positive Behavioral Interventions & Supports (PBIS) approach to student behavior. The Archdiocese of Baltimore Department of Schools encourages each school to customize the PBIS program to fit the needs of each individual school.

S.O.A.R. is the positive behavioral interventions and support system that has been designed and implemented at St. Stephen School. S.O.A.R. stands for the following: S = Safety First, O = Offer Service, A = Act Responsibly, R = Respect Others. Lessons are presented at appropriate times of the school year. Events are scheduled to support and acknowledge students who model these behaviors. Research has confirmed that students who participate in a schoolwide positive interventions and support system experience less instances of peer bullying behaviors. Our S.O.A.R. program has been awarded the Bronze and Silver recognition from the Maryland State Department of Education PBIS program.

**Guidance and Counseling**

St. Stephen School will provide a guidance counselor on site two days a week to help with school related issues and as a resource to families. Students may speak to teachers, school administrators, or the parish priest or deacon if an emergency arises when the counselor is not available. The guidance counselor will work with teachers to implement required classes from the Archdiocese related to various aspects of student life.

Photo Release
Sharing photos and videos of students' activities and school events is a wonderful way to show school families and our community the interesting activities and fruitful work that happens here at St. Stephen School throughout the year. Images will be shared on social media, included in marketing material, and posted on our website unless a parent opts out. Students are identified by first name only when they earn an award or have a noteworthy accomplishment. To opt out of either photo/video use or having your child's name included for an achievement, you would have filled out a technology acceptable use/media release agreement located in your child’s enrollment checklist on school admin portal. We seek to balance the accommodation of photo restrictions while still providing well deserved recognition of other students in a group setting. Therefore, please understand that disallowing your child to be included in school-related photos/videos means they will be politely asked to step aside when a group photo is taken for external use. This includes students involved in band, choir, drama, service projects, academic competitions, field trips, sports, etc. Photo restriction also impedes our ability to share events via live-streaming. This RELEASE supersedes all other documents and online forms.
