A pre-Kindergarten through 8th grade Catholic parochial school, St. Stephen School is dedicated to the ideals of educating children in an environment that surrounds them with Christian values. The school strives to educate the whole child spiritually, academically, physically, socially, and emotionally. Every effort is made to cultivate within each child a positive self-image and to heighten his/her awareness of the dignity and worth of others.

Recent Improvements and Achievements

- Once we were notified of the mandatory shutdown in March, St. Stephen School did not miss a beat with virtual instruction. Students successfully transitioned to distance learning via Zoom and Google Meet from March until June 2020.

- Provided in-person learning since September 2020. Families were given the option of in-person or virtual learning. Our teachers provided both options, providing quality education to our students.

- Moved and renovated the Nurses Suite and Admissions Office.

- Changed our preschool program to a full-day, 5 day a week, Preschool 4 program for the 21/22 school year.

- Raised $19,000+ from our summer Days of Giving Covid Relief fundraiser.

- Received the Constellation Community Champions Grant.

- Hosted many traditional events virtually, such as the wine tasting and trivia night, successfully.

- Equipped Ben Q boards in all classrooms.

- Upgraded the wifi throughout all buildings.

- Upgraded all tablets for 3rd and 6th graders to start our new technology program to stay competitive in the area.

- All homeroom teachers and resource teachers received upgraded laptops.
We gratefully acknowledge the generous donors who support St. Stephen School's mission.
