How to Create a Parent Access Account in PowerSchool

1. Go to https://archbalt.powerschool.com/public and click on Create Account

2. Click Create Account again:
3. Enter your family information:

Enter the Student Name, Access ID, Access Password, and your Relationship to the student. If you have misplaced the access information, please contact the school office.

Note: DO NOT use your email address as your username. Please remember the new username and password you have created.
4. Scroll down and click **Enter** to create your account.
