

Principal Post #2: A Message from Dr. Kozlowski
August 28, 2024

“Give thanks with a grateful heart.” I Thessalonians 5:18

Thank you to all of our families for a smooth transition back into the new school year. I appreciate how you are helping one another out and welcoming our new families. Please see the communication from yesterday about reminders specific to arrival and dismissal. I am grateful for the grace that you are showing one another this first week of school. I pray that you have a wonderful Labor Day weekend with your family and friends.

Grace and peace,
Dr. Marianne Kozlowski

Important Dates:
