Summer Work Packet

Dear Families,

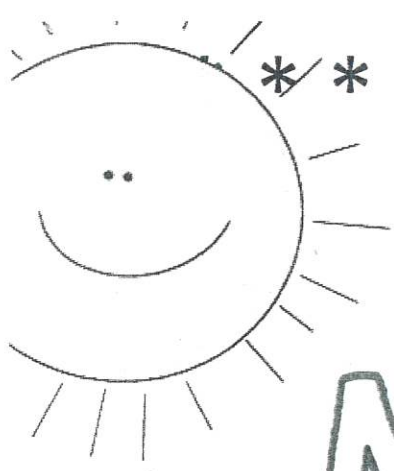

I am so excited to have your child in my class next year! They have made amazing progress in Pre-K! In order to continue making progress, we need to keep reading and reinforcing skills over the summer. In this packet you will find some activities to kick off the summer.

In addition to this book, I ask that you read at least 10 books with your child over the summer. Please feel free to read more.

I have also attached monthly calendars to work on skills over the summer. Again you can choose how many you want to do, but you must do the shaped day activities.

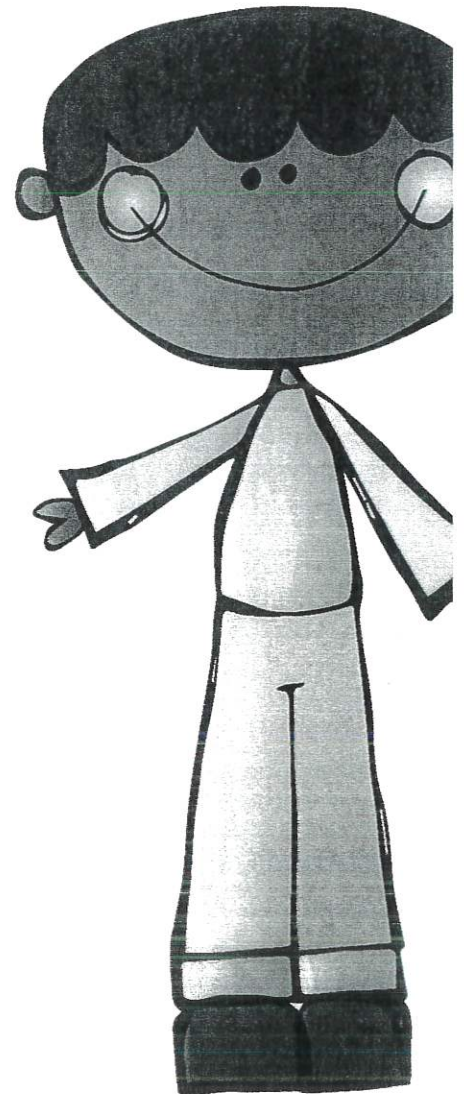

Sincerely,

Mrs. Mirabile
